Defendants

Request permission to respond to Defendants responsive brief

Christina Paoli hereby requests permission to respond to responsive brief dated August 8 in opposition to plaintiff's motion for more time to respond to motion for judgment on the pleadings because some of the information in it is accurate and some of the information is not accurate.

Furthermore, the motion for judgment is mute because the concerns brought up in the motion were addressed in the amended complaint.

Additionally, plaintiff has been in and out of the hospital and doctors due to injuries sustained last year and is still under doctors care for those injuries.

Therefore, plaintiff respectfully requests permission to respond to the defendants August 8 responsive brief.

Thank you,

Christina Paoli
